

```
// Scroll to Sections on Button Click
document.querySelectorAll('a[href^="#"]').forEach(anchor => {
  anchor.addEventListener('click', function (e) {
    e.preventDefault();
    document.querySelector(this.getAttribute('href')).scrollIntoView({
      behavior: 'smooth'
    });
  });
});
```

```
// Alert for "Buy Now" buttons
document.querySelectorAll('.btn-secondary').forEach(button => {
  button.addEventListener('click', function () {
    alert("Redirecting to payment system. This feature is under development.");
  });
});
```

```
// Placeholder for Contact Us Button (Custom Plan)
document.querySelector('a[href="#contact"]').addEventListener('click', function () {
  alert("Custom Plan inquiries will be handled via email. Please contact support@example.com.");
});
```
